

## Welcome to Term 2

The Safe and Inclusive Schools (SAIS) Initiative got off to a flying start after its launch in term 1. The team are looking forward to connecting with more schools in term 2 and beyond

The SAIS Initiative's goal is that ACT schools and educational programs are safe, inclusive environments for all students regardless of their gender presentation/identity, intersex status or sexual orientation.

SAIS is specifically designed for the ACT context and is flexible and responsive to school community needs. If you would like to find out more about SAIS, you can check out more information and a menu of services on our website.

[www.saisact.info](http://www.saisact.info) or contact us on [saisact@shfpact.org.au](mailto:saisact@shfpact.org.au)

### Did you know about... EnhanceTV?

*"EnhanceTV is an educational video platform, giving you access to curriculum-linked content and an easy way to share it with your students."*

There are videos available on this platform for all curriculum areas and a good variety of videos on sex, gender and sexuality. Make sure to check the curriculum links and use your professional judgement to assess if the resource is suitable for your students and purpose.

Most schools are eligible to access this resource. Find out more here:  
[www.enhancetv.com.au](http://www.enhancetv.com.au)

### Day of Importance: IDAHOBIT

International Day Against Homophobia, Biphobia and Transphobia (IDAHOBIT) is coming up on 17 May 2018. The day was first celebrated in 2004 and continues to be a day of importance and action for the LGBTIQ and allied community.

If you would like support to mark this occasion at school you can contact SAIS or visit the official IDAHOBIT website to get ideas: [idahobit.org.au](http://idahobit.org.au).
